FORMAT: Competition will consist of 36 holes of Stroke Play. Flights will be assigned by handicap index and will consist of eight (8) players in each flight. Trophies will be awarded to overall low gross Champion, Runner Up, Super Senior and Net Champion winners. 1st, 2nd, 3rd, and 4th prizes will be awarded to winners in each flight. In case of a tie for the Championship, Super Senior (70+) or Net Champion, there will be a hole-by-hole (sudden-death format) playoff starting at Hole #1 at The Georgia Club, continuing until the Championship(s) are determined. Ties for the flight prizes shall be determined by following the USGA recommended procedure for matching scorecards. To determine the winner, second day scorecards will be compared to determine the best combined score for the last nine holes (10-18). If the players are still tied, combined scores on the last six holes (13-18) will be compared. If still tied, combined scores on the last three holes (16-18) will be compared. If still tied, we will determine the winner by using second day scorecards starting with the 18th hole working backwards.

Note: Playing Red and Black courses at The Georgia Club. Maximum score is 12 on any hole for the tournament.

HANDICAP INDEX: Handicap Index as of the April 26, 2021 handicap revision date will be used to create flights.
