The Preferred Lie rule will not be in effect for this tournament.

1. Disqualification is for the following infractions:
   a. Failure to be at designated tee box when tournament begins.
   b. Returning a scorecard with a score for a hole lower than the actual score or no score, except if the actual score excluded penalty strokes that the player did not know about before returning the scorecard.
   c. Failure to sign the scorecard or leaving the course without turning in the scorecard.
   e. Failure to exchange scorecards at the beginning of play.
2. Playing Two Balls When Uncertain What to Do: If a player is uncertain about the right procedure, she may complete the hole with two balls, without penalty. The player must announce to her group that she is hitting a second ball, and which ball she intends to be scored before making a stroke. The player must report the facts to the Committee (see below) before returning her scorecard, even if the player scores the same with both balls. The player is disqualified if she fails to do so.
3. Cell phone usage is prohibited during competition except for emergency calls. EXCEPTIONS: Distance measuring, Rules of Golf lookups and live scoring features are permitted.

Other Reminders

Provisional Ball: May be played if it is likely that the original ball may be lost outside a penalty area or out of bounds.

When a ball has not been found or is out of bounds, for 2 Penalty Strokes, you may take relief by dropping a ball in a relief area defined by the point where the ball is estimated to be or last crossed the OB edge, lined up with the edge of the fairway, and including 2 club lengths in the fairway, not nearer the hole.
