

Live Scoring

Using the Golf Genius mobile app a player in each group enters scores for the group. All players with the mobile app can view leaderboard in real time using GSWGA as the GGID. The GGID for entering scores will be printed on the scorecard.

1. Load the mobile app. Find Golf Genius (orange background with ball on a tee) in your App store and download. Or go to [GSWGA Event: Download the Free Live Scoring App! \(golfgenius.com\)](#).
2. When you open the app, it will ask for GGID or email and password.
3. GSWGA is the GGID for viewing the leaderboard of other tournament related information.
4. For entering scores, a GGID is printed on your scorecard.
5. One person in each group should enter scores for the group.
6. All players can view the leaderboard using GSWGA as the GGID.
- 7. Your paper scorecard is your official score. You must turn in your paper scorecard immediately after play to GSWGA Board at the scoring table.**
